URBAN

Conceptual designs with artistic usage of gentle lines and strokes to create soft, contemporary living in modern homes. The Urban range of fabrics enhance the overall décor of your home with its touch of modern styling and design.

ROMANTIC

Gently placed soft floral prints in graceful shades of light fuchsia colours blend in to create sweet, romantic moments at home. The beauty of these fabrics brings you into the mood where you are captured by the spirit of love and gentleness.

COUNTRY

Natural elements like bamboo, weavings are used in soft designs to provide calmness in rooms and soothe senses.

POP

Abstract geometrical design in various color lift up the overall mood and brighten up the room.

PLAYTIME

Perfect for children's room – Fun and adorable characters on window coverings. Selected designs come with room darkening fabric for a good night sleep.

BASIC TRANSLUCENT

Our Basic Sheer range allows you to select from an inviting palette of soft neutral hues to deep brilliant colours, for the look and effect that will blend into any modern home designs.

BASIC BLACKOUT

Sleek and stylish, the Basic Blackout fabric is the perfect choice when you are looking for total privacy in rooms. Be it day or night, the fabric blocks off the harsh penetration of light, giving you all the privacy needed. Comes in wide range of colours, you will be spoilt for choice.

STANDARD MANUAL SYSTEM

Proven gravity fed Standard Manual System ensures ease of operation and long lasting durability. Raise your window coverings to any level with our Standard Manual System.

MOTORIZATION

Hunter Douglas Motorization is designed for ease of operation and precise control. With remote-control units, operation functions are served by a hand-held remote transmitter or a remote receiver mounted near the window coverings.
