WINDOW FASHIONS

The soft, overlapping fabric of Vignette® shadings is available in 3" or 4" folds.

One look and you'll agree, Vignette<sup>®</sup> window shadings exude fashion. From the soft, contoured fabric folds to the stunning array of colors and textures, Vignette shadings impart sophistication and style to any room and every décor. They transmit a soft glow from outside light while ensuring privacy within. When raised, Vignette shadings disappear into a fabric-covered headrail, providing an unobstructed view of the outdoors. And, the EveScape<sup>™</sup> room-darkening option blocks up to 100 percent of outside light, offering the perfect solution for nurseries, bedrooms and media rooms. Create your own custom look by choosing from the 94 captivating colors and 11 luxurious Vignette fabrics. Select 3" or 4" fabric-fold

sizes; each designed to retain their original shape and fullness. For wider windows, choose the Two-On-One Headrail that provides a unified look yet allows shadings to operate independently. Treat yourself to Vignette® with PowerRise®, the battery operated remote control system that lets you raise or lower your shadings with the touch of a button. It's a must for hard-to-reach windows. Finally, finish your room with matching or coordinating Accents by the Yard™ cut yardage to adorn windows with swags and side treatments or to design decorator pillows and other distinctive accessories. From your den to dining room to bedroom, there's a Vignette shading to express your individual taste and sense of style.

PowerRise® battery operation adds state-of-the-art convenience to the beauty of Vignette® window shadings.
